Approval and Promulgation of State Implementation Plans; Arizona State Implementation Plan Revision, Maricopa County Environmental Services Department

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve a revision to the Arizona State Implementation Plan (SIP) which concerns the control of volatile organic compound (VOC) emissions from Commercial Bread Bakeries.

The intended effect of proposing approval of this rule is to regulate emissions of VOCs in accordance with

the requirements of the Clean Air Act, as amended in 1990 (CAA or the Act). In the Final Rules Section of this Federal Register, the EPA is approving the state's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for this approval is set forth in the direct final rule. If no adverse comments are received in response to this proposed rule, no further activity is contemplated in relation to this rule. If EPA receives adverse comments, the direct final rule will be withdrawn and all public comments received will be addressed in a subsequent final rule based on this proposed rule. The EPA will not institute a second comment period on this document. Any parties interested in commenting on this action should do so at this time.

DATES: Comments on this proposed rule must be received in writing by April 16, 1997.

ADDRESSES: Written comments on this action should be addressed to: Andrew Steckel, Rulemaking Office (Air-4), Air Division, U.S. Environmental Protection Agency, Region 9, 75 Hawthorne Street, San Francisco, CA 94105-3901.

Copies of the rule and EPA's evaluation report of the rule are available for public inspection at EPA's Region 9 office during normal business hours. Copies of the submitted rule are also available for inspection at the following locations:

Arizona Department of Environmental Quality, 3033 North Central Avenue, Phoenix, AZ 85012

Maricopa County Department of Environmental Services, 2406 South 24th Street, Suite E-204, Phoenix, AZ 85034-6822.

FOR FURTHER INFORMATION CONTACT: Christine Vineyard, Rulemaking Officer (Air-4), Air Division, U.S. Environmental Protection Agency, Region 9, 75 Hawthorne Street, San Francisco, CA 94105-3901, Telephone: (415) 744-1197.

SUPPLEMENTARY INFORMATION: This document concerns Maricopa County Environmental Services Department Rule 343, Commercial Bread Bakeries, submitted to EPA on August 31, 1995 by the Arizona Department of Environmental Quality. For further information, please see the information provided in the Direct Final action which is located in the Rules Section of this Federal Register.

Authority: 42 U.S.C. 7401-7671q.

Dated: February 19, 1997.

Nora L. McGee,

Acting Regional Administrator.

Fuels and Fuel Additives; Elimination of Oxygenated Gasoline Program Reformulated Gasoline (OPRG) Category From the Reformulated Gasoline Regulations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: In this action, EPA is proposing to amend the reformulated gasoline (RFG) regulations to eliminate the separate treatment for a category of gasoline used in oxygen averaging. This category, oxygenated gasoline program reformulated gasoline (OPRG), includes gasoline intended for use in a state oxygenated gasoline program control area during the winter time. Under the current RFG regulations, a refiner must meet the oxygen content standards for the entire pool of gasoline they produce, and for the pool of gasoline they produce that is non-OPRG. EPA is proposing this action because it no longer believes a distinction between OPRG and non-OPRG is necessary and because removal of the OPRG category would add flexibility and reduce compliance costs for regulated parties, without producing a negative environmental impact.

DATES: Comments on this proposed rule must be received by April 16, 1997. EPA does not plan to hold a public hearing on this proposed rule, unless one is requested. If a request is received by April 1, 1997, a public hearing will be held. If such a hearing is held, comments must be received within 30 days of the date of such hearing.

ADDRESSES: Written comments on this proposed action should be addressed to Public Docket # A-97-01, Air Docket Section (Room M-1500, Waterside Mall), Environmental Protection Agency, 401 M Street, SW., Washington, DC 20460. Documents related to this proposed rule have been placed in the public docket and may be inspected between the hours of 8:00 a.m. to 5:30 p.m., Monday through Friday. A reasonable fee may be charged for copying docket material. Those wishing to notify EPA of their intent to request an opportunity for a public hearing on this action should contact Anne-Marie
